

Consent to Publish Form

Scientific Terrapin
University of Maryland Undergraduate Research Journal

An original signed hard-copy of this document must accompany all works submitted for publication in *Scientific Terrapin*.

Work Name: _____

Author(s): _____

The Author(s) Warrants:

1. All authors are properly credited.
2. The Work is the author(s)' original work and has not been previously published.
3. The Work does not infringe on or violate any intellectual property rights of another party, including copyrights and patents.
4. The author(s) possesses, or has legally authorized, exclusive ownership and copyright of the work.
5. The author(s) has full power and legal right to execute and perform this agreement.

Consent to Publish:

1. This signed consent form grants the publisher permission to publish the author(s) work.
2. The author(s) agrees to transfer unlimited non-exclusive rights to publish, print, reproduce, distribute, and translate (or allow others to translate) throughout all forms of media that are now known and later developed.
3. Additionally, the author(s) grants the publisher the right to use the author(s)' name in association with the work in published form and in promotional materials. Lastly, if the publisher is contacted for copyright permission, the publisher may release the author(s) contact information to the inquiring party.

Author's Retention of Rights: Copyright will remain with the author(s) and the author(s) reserves all other rights. Thus, the author(s) retains the right to reproduce, distribute, perform, and display the work, as well as produce derivative works, by any means and can authorize others to do the same. However, the author(s) hereby acknowledges that future publishing of the work (aside from *Scientific Terrapin*) may require a transfer of the author(s)' exclusive rights and that by signing this agreement the publisher has shared right to publish the work and consequently, the author(s) forfeits exclusive publishing rights. It is the responsibility of the author(s) to be familiar with and comply with any such future eligibility requirements.

- **NOTE:** Many other journals require exclusive publishing rights for all material published in their journals. If you plan to publish in another journal in the future, please check the journal's policy on publishing rights.

Liability: By signing this consent form, the author(s) agree that the University of Maryland and *Scientific Terrapin* are not responsible for protecting the work from misuse or copyright infringement by others. Accordingly, the author(s) indemnify and hold harmless the University of Maryland and *Scientific Terrapin* in all matters regarding copyright.

For Student's: By signing this agreement, the author(s) agree to the terms specified above. In addition, the author agrees to cooperate with editors and to respond promptly to all queries by editors in the process of preparing the Author's Manuscript for final publishing.

Author(s)' signature:

Date:

For the Mentor(s): By signing here you acknowledge that you have advised and supervised the above student(s) in conducting original research and you give consent that standards of academic honesty and ethics adopted by the University of Maryland were followed. By signing here you give the student's permission and endorsement to publish their Work in *Scientific Terrapin*.
